Try to remember the kind of September
When life was slow and oh so mellow.
Try to remember the kind of September
When grass was green and grain was yellow.
Try to remember the kind of September
When you were a tender and callow fellow.
Try to remember and if you remember,
Then follow, follow, follow me.
Deep in December it's nice to remember
The fire of September that made us mellow.
Deep in December our hearts should remember
And follow, follow, follow me.

Frederick Honors

Its Own

A quiet mood.

The Senior Class and the Driftwood Staff proudly dedicate the 1968 Driftwood to Ellerd Miner Hulbert, Academic Dean of the College. To say that Dean Hulbert has unselfishly given of himself to encourage academic development at Frederick College would in no way be an exaggeration. In addition, Dean Hulbert has taken a personal interest in the well-being of the individual student. He has the talent to communicate with each student, helping him to realize his potential.

Dean Hulbert has shown his versatility by excelling as a faculty member as well as an administrator, by teaching a course in Russian History for the past two years.

The student body as a whole looks upon Dean Hulbert not only as an administrator or faculty member, but also as their friend through whom they may become young adults, realizing their future and that of Frederick.

Dean and Mrs. Hulbert relax with their family.

The competition was strong and the spirits were high as each organization raced, jumped, pulled, and dodged to acquire a few points for his group. Finally as the last event was concluded and the points were totaled, Alpha Sigma Delta and Kappa Sigma Phi were announced as the winners.

Kappa Sigma Phi

In October, 1961, Kappa Sigma Phi was founded as the first social sorority on campus. Throughout the years, Kappa Sig has promoted school spirit and has sponsored campus activities, such as dances, and this year a spaghetti dinner. Service projects are also an important part of sorority functions. In the past year, Kappa Sig sold Christmas Seals and helped with the Tuberculosis X-Ray Unit.

In January, 1967, the official Kappa Sigma Phi Alumnae Association was formed. The Sisters and the Alumnae strive to perpetuate their strong bond of sisterhood.

1967-68 was successful for Kappa Sigma Phi, and the Sisters look forward to continued success.

Cheese!

1967-68 brings to close another successful year for Lambda Tau Omega sorority. Throughout the year, the sisters sponsored a variety of functions, including shoe shines, car washes, dances, and their third annual Talent Show in April.

Rush brought festive parties and two new pledge classes to uphold the sorority's ideals of sisterly love, leadership, service to the school, and scholarship. Lambda Tau participated in various intramural fun and worked with the cheerleaders and team to promote school spirit. The sorority was represented by the various sweethearts on campus. The new sorority house brought excitement, a lot of hard work, and a closer relationship between the sisters.

Based on the twelve ideals on which Lambda Tau was founded, Jackie Reynolds was chosen Miss Lambda Tau for 1968.

Our **Lions** this year had what is called a losing season. This cannot be a reflection on the team per se or the coaching staff. We were plagued by both inexperience and mistakes as well as bad luck. Coach Tallman was new this year and his innovations may well have helped the team had there not been a number of petty instances which kept morale low. We do owe our team a lot for playing very hard even when Lady Luck was not on our side. Our men put out one-hundred percent under some of the most adverse conditions.

Nestl'd by clear, blue waters,
'Neath the whispering, tall pine ,
Stands our noble Alma Mater,
O Guardian of Time. . .
Lift the Chorus, speed it onward;
Long may she prevail!
FREDERICK COLLEGE, we praise Thee,
Alma Mater, all hail!

With our love, we embrace Thee;
Thy dear name we enshrine.
We shall never forget Thee,
Through Ages of Time. . .
Lift the Chorus, speed it onward;
Long may she prevail!
FREDERICK COLLEGE, we praise Thee,
Alma Mater, all hail!
